## Schools All Set To Open Monday

(By Brooks Henderson)  
(Principal, Pahokee High School)

It was, with great regret but little surprise, that we learned that our new, approximately three-quarters of a Million dollars Pahokee Elementary School's completion would be delayed, due primarily to rains.

After making inquiries with our County School Planning Department it seems to me that we could set our hopes in occupying the new school early in October, and thus let ourselves be pleasantly surprised if the contractor finishes earlier to allow us to take possession sometime in September.

Even before we had learned officially that the completion of the new school was going to be delayed, Principal William D. Howard and I conferred on the best steps to be taken to tide us over the first few weeks of the 1966-67 school year should the elementary school children not be able to move into their new facilities.

Our two main objectives were:

- (1) to prevent destruction of the proposed curricula for all three schools, the senior and junior high schools and the elementary school so that courses of study could continue in a normal, orderly manner.
- (2) that no extension of the school year next June would become necessary in order to fulfill the requirements of the Florida State Law that all schools complete 180 school days in the school year.

My proposals for the attainment of these two objectives have met with the approval of Superintendent Robert W. Fulton, who has said that all possible aid as regards to transportation and other needs will be made available to help us over the next few weeks.

Here is what we shall have to do and I know I shall have your support and cooperation:

### ELEMENTARY SCHOOL

Students scheduled to attend this school will report to the old school next Monday, August 29th at the usual time, (8:30) and classes there will continue as usual until the new school is completed and we can occupy the building.

### SECONDARY SCHOOLS

Both the Junior and Senior High Schools will temporarily go on an extended day. The first session for grades 10-12 will start at 7:15 and end at 12:10. The second session for grades 7-9 will start at 12:15 and end at 5:05. The County Schools Transportation Department has been busy working out school bus schedules, which will be as follows until a permanent time can be arrived at taking into account all of the different school bus route lengths.

For Senior High School students the buses will start their routes run at approximately 6:00 o'clock in the morning and enabling the buses to get the students to school in time for the 7:15 starting time. They will then go back and pick up the elementary school students at the usual time that was held last

year and bring them to school.

For the junior high school students the buses will pick up the students at approximately 11:10, bringing them to school, getting them here on time to let them meet the 12:15 starting time for their session and then taking the senior high school students home at that time. They will meet the usual schedule for the elementary dismissal time at 2:30 and at 3:00 as they have been doing and then return to school to pick up the junior high school students at 5:06.

Double sessions will have to continue for two or three weeks, after the elementary school students have moved to their new school. This will be necessary to provide opportunity for some minor changes to be made in the vacant space before they are suitable for our planned occupancy.

It is regrettable that double sessions have been made necessary, however, within a very few weeks we shall have the finest elementary school in the Glades, built in accordance with the latest educational specifications. Meanwhile we can look forward also to the more than \$400,000.00 worth of reconstruction to our junior and senior high schools and the high accreditation levels which I feel sure they will merit when the reconstruction job is completed.

Our faculty has been increased this year with the addition of several new teachers, five of them replacing teachers who either transferred or left the teaching profession and the rest of them additional teachers added to permit us to expand our curriculum, especially in the junior high school section, to more fully meet the needs of our boys and girls.

Meanwhile, let me take this opportunity to urge all parents and guardians to continue inspiring their children to work hard and not drop out of school. Life is growing rapidly more complex and more competitive all the time. All young Americans must train hard and study hard to prepare themselves to face the future.

The Administrators and Faculties of our schools, for their parts, promise to do their best to offer the students of the Pahokee area a sound education.

The school bell rings early Monday morning. The summer vacation is at an end. With the cooperation of all of us, I am sure that we can get the job done during this extended day and not jeopardize the education of our youth.

### Brother of Bob Durrance Dies

Funeral services were held on Wednesday morning at the Veterans' Cemetery in Miami for Lamar Durrance, 58, brother of Bob Durrance, of Pahokee, who passed away on Sunday night at the Veterans Hospital in Coral Gables. He was survived by three brothers, Herbert, Fort Worth, Texas; Roy, Fort Lauderdale and Bob of Pahokee.

### Play Will Be Presented Sun., Aug. 28

Thurmond Knight, Jr., a former resident of Pahokee and now a member of Northwood Baptist Church, will portray Peter Marshall at the Canal Point School auditorium on Sunday night, August 28, at 7:30 p.m.

The three-act play, "A Man Called Peter", based on the life of Peter Marshall, will be presented by the youth of Northwood Baptist Church.

There will be no admission charge to the play but a free-will offering will be taken for the "Baptist College" in Palm Beach Gardens. This will be a combined effort of the youth of both Canal Point Baptist Church and Northwood Baptist Church to help support the local Baptist College campaign.

### Double Sessions At Pahokee

With approximately 800 students in the upper six grades of the Pahokee High School, double sessions will be necessary until the completion of the elementary school building, according to Principal Brooks Henderson.

The senior high school group will attend school from 7:15 a.m. until 12:10 p.m. After a five minute break between class sessions the junior high school group will start their classes at 12:15 p.m. and continue until 5:05 p.m.

### Pahokee Lions Hear Good Music

The Pahokee Lions Club met on Tuesday with Lewis Collins, president presiding at the meeting. Dr. R. L. Hutton, program chairman for the day, presented Mr. and Mrs. Stanley Yerlow of Athens, Georgia, who presented a program of musical selections. Mrs. Yerlow is the former Marjorie Kahn, a former resident of Pahokee whose parents now reside in Belle Glade.

The program consisting of a piano solo by Mr. Yerlow and vocal numbers by Mrs. Yerlow with her husband accompanying her on the piano.

Guests at the meeting were Joe Kahn, Belle Glade; Bud Wilson of Pahokee; Dr. George Walker of Pahokee and Betty Hennis of Fort Lauderdale.

Tommy Hand, Billy Boe and Joe Graham spent the past weekend in Ft. Lauderdale on a fishing trip.

### Funeral Services For Donald Harrington, 39, Canal Victim

### Sweet Corn Group Meets September 1

The organizational meeting of the members of the Florida Sweet Corn Advisory Committee is scheduled for 1:30 P.M., Thursday, September 1, 1966, at the Palm Beach County Glades Office Building in Belle Glade. These are for committeemen recommended by the industry at their annual meeting and appointed by Commissioner of Agriculture Doyle Conner to serve during the 1966-67 season.

Following organization, the Committee will make recommendations to the Commissioner of Agriculture for initial regulations which will be in effect during the 1966-67 sweet corn marketing season, along with such other business as may properly come before the Committee.

All interested growers are urged to attend.

### C. P. School Is All Set For Opening

Monday, August 29, will start the school year for 1966-67 at the Canal Point School with a full list of teachers for the school. Print that everything is in readiness for that everything is in readiness for the first day of school.

Again this year students in grades one through six will attend the Canal Point School with eight classes, a remedial reading class and Mrs. Billie Huddle again serving as school librarian.

### Graduated From Univ. of Georgia

Ken Beverly, son of Mrs. Max Beverly of Ochokeech, Georgia, and grandson of Mrs. H. G. Boynton of Canal Point was chosen with one other boy and two girls to be initiated into the Phi Kappa Phi Honor Society on August 18 at the University of Georgia. These students were chosen from the Business Administration graduates. On Friday, August 19, Ken graduated from the University of Georgia.

### NEW ENGINEER

Robert Erickson, son of Mr. and Mrs. Floyd Erickson of Canal Point, is the new engineer at Radio Station WSWN in Belle Glade. Young Erickson took the place left by the death of C. S. Clemans who passed away recently after serving the station for many years.

Funeral services were held Wednesday morning at the Canal Point Methodist church for Donald Harrington, 39, who was drowned early Sunday morning when his pickup truck left the highway and landed upside down in the canal a few hundred feet north of the railroad crossing near the W. A. Cross home on US 441 north of Canal Point. The same canal, only on the opposite side of the highway, claimed the life of Hugo Boe a few years ago.

Fallbearers were: Stanley Hooks, Lewis Walker, Frank Tillis, Alex Johnson, Pope Sears and Joe Parker. Burial was in Woodlawn Cemetery in West Palm Beach alongside his father who died in 1945.

The funeral was conducted by the pastor of the church, Rev. Edward F. Norton. Wetherington Funeral Home of Pahokee was in charge of funeral arrangements.

Survivors include his wife, Veronica; a son, David, 4½; two stepsons, Jeffrey Tarr, 14, and Alan Tarr, 11; a daughter, Donna Kay, 8; and a step daughter, Laurel, 9; his mother, Mrs. Rachel Harrington of Port Mayaca; a brother, Major John F. Harrington, Hampton, Virginia; and a sister, Mrs. Kenneth Cooksey, Monticello, Florida.

Young Harrington was returning to his Port Mayaca home from the Canal Point area when the accident happened. His truck left the road and apparently went out of control before hitting the abutment of a small bridge and turned over into the canal leaving only small portions of the four wheels protruding from the hyacinths.

The deceased lived most of his life in Canal Point and Port Mayaca, having been born in Okeechobee. He was a member of the Canal Point Methodist church and was the local Boy Scoutmaster. He was a graduate of the University of Florida and a member of the Lambda Chi Alpha fraternity. He was a member of the Pahokee Elks Lodge. He was a veteran of World War Two.

His wife is a member of the Holy Nativity Episcopal Church in Pahokee and a requiem mass was held there at 11 a.m. Tuesday and the funeral was held Wednesday at the local Methodist Church.

A wide search was put into effect on Monday when he didn't put in an appearance at his Port Mayaca home. Highway Patrol, Sheriff Dept. men and Pahokee Police Chief Charles Brown searched diligently with airplanes trying to locate the truck from the air. The wheels of the truck were first noticed by Maurice Sullivan, a resident of Pahokee, who was assisting in the search.

Mrs. Jay Sapp returned to her home on Saturday after spending the past four weeks at Lakeland General Hospital.

## Make Plans For Football Programs

Plans for soliciting ads for the programs of all home games of the Pahokee High School Blue Devil football team this fall were discussed by members of Pahokee Band Parents Association at the first meeting of the season held in the Band Building on the high school campus Monday night with Mrs. James Batchelor, vice president, presiding. All proceeds from the ads are for the benefit of the PHS Band.

Since the printing and selling of the programs at the home games and the selling of the ads they contain are the Band's only fund-raising project of the school year, the continued generous support of this worthy project by the public will be greatly appreciated by all concerned.

If for any reason a member of the PBPA fails to contact you for an ad in the programs and you would like to help the band with an ad, please contact Bandmaster Robert O. Lampi by telephone and he will take care of the necessary details—it's that simple!

The Association at the Monday night meeting elected Mrs. Billy Sheffield president to fill the vacancy left by the resignation of Mrs. F. S. Parrish. They also elected Mrs. D. B. Watkins new secretary, replacing Mrs. Farris Brewer; and named Mrs. Marvin Grady and Mrs. Milton Douglas, co-chairmen of the publicity committee.

Jon R. Pope of San Jose, California, arrived last Friday to spend some time as the guest of his parents, Mr. and Mrs. E. L. Pope.

## S. L. Crochet Will Attend Vichy Meeting

HOUSTON, Tex. (Special)—S. L. Crochet of Clewiston, president of the American-International Charolais Association, will represent the breed registry association at the annual world-wide Charolais show at Vichy, France, August 31-September 3.

Mr. Crochet is tentatively scheduled to leave New York August 29. Following a weeklong schedule of shows and conferences of the International Federation of Charolais Associations representing 19 countries, he will visit Charolais breeding establishments in Central France.

Sponsored by the Vichy Agriculture Society and the French Charolais Herd Book, the show of France's best Charolais breeding cattle annually attracts representatives of countries throughout the world. The great white Charolais were developed in Central France more than 200 years ago as a producer of quality beef, and today is the fastest growing beef breed in the United States.

The first Charolais to reach this continent was in the 1830's when 37 head were exported to Mexico. As far as is known, all of the 250,000 registered and recorded Charolais in this country evolved from that original herd.

## HOME FROM GEORGIA

Mrs. Roberto Arrieta and children returned recently from Atlanta, Georgia, where they were the guests of her brother and family, Dr. and Mrs. James McCall, and to pick up her oldest son, Ronald Mc Wright, who had been the guest of his father during the summer.

## Fund Raising Dinner Set For Oct. 1

TAMPA—A Giant Democratic party fund-raising dinner, originally planned for Southeast Florida in September has been rescheduled for October 1 in Jacksonville, State Democratic Executive Committee Chairman Pat Thomas announced Wednesday.

Several party officials, including some Cabinet members of the congressional delegation and former Governors who will be honored at the dinner, had encountered conflicts with the earlier planned date of September 10 and the previously announced location.

Thomas said the change will assure participation and attendance of Governor nominee Robert King High and virtually all other top Democratic party leaders.

The dinner will be held at the Jacksonville Civic Auditorium and Mayor Lou Ritter of that city has accepted appointment as host.

Final plans were worked out at a meeting between Thomas and members of the Democratic party Finance Committee and Bob High campaign leaders in Mayor High's law office.

## State Drives To Prevent Poaching

TALLAHASSEE, (FNS)—The State Game and Fresh Water Fish Commission is instigating a drive to prevent alligator poaching following discovery of interstate traffic in Florida hides.

A case in Louisiana turned up recently in which a man was accused of illegal possession of alligator hides. Charges were dropped, however, when it was ruled the incident was not subject to Louisiana law, since the 1,088 hides came from Florida.

Killing of alligators and possession of their hides has been illegal in Florida since 1961.

Chief value of alligators to Florida, say Game and Fresh Water Fish officers lies chiefly in their appeal to tourists. The State Development Commission has placed a value of \$737 on each of Florida's 100,000 alligators.

## Flood Dist. Reduces It's Taxes

The 18-county Central and Southern Florida Flood Control District approved an 18 per cent tax cut Tuesday.

The district's governing board voted unanimously to reduce its tax rate from .45 mills to .37 mills, the lowest ever levied by the FCD.

The new tax amounts to 37 cents on each \$1,000 of non-exempt property in the district stretching from Volusia to Dade County. For the average homeowner, this will mean a savings of about 75 cents on his 1967 tax bill.

A decrease in the FCD's 1966-67 operating budget coupled with the state Supreme Court's order forcing all property assessments to 100 per cent of value made the tax cut possible.

The district's budget anticipates \$4.4 million in taxes from 18 counties next year, a drop of \$100,000 from this year.

The tax burden will be evenly divided among the counties for the first time next year under the new uniform 100 per cent valuations. Previously counties, such as Dade, assessing at full value shouldered what they called an unfair burden because counties with lower assessments paid the same tax rate.

Ed Dall, executive director of the FCD, said the district is guessing that the 37 mill tax rate will be adequate. Many counties in the district have not yet certified their tax rolls.

## HOME FROM GEORGIA

Mrs. H. G. Boynton returned last Thursday from Ochlocknee, Georgia, where she had been the guest of her daughter, Mrs. Max Beverly, for the past six weeks. While in Georgia, Mrs. Boynton attended the Miss Georgia beauty pageant in Columbus, Georgia in July.

Rick Buck, S. W., who is stationed aboard the U. S. Coast Guard Cutter McCulloch which was docked in Miami, was the overnight guest of his aunt, Mrs. Betty Wilson and children, Terry and Chuck, on Tuesday night. The ship sailed on Wednesday morning for its home port in Wilmington, North Carolina.

Steve Brackin of Eagle Lake was the guest of his sister, Miss Elinor Brackin, for a few days this week.

Mr. and Mrs. Marion L. Wright and family returned recently from a two-week vacation spent visiting their daughter and family, Mrs. J. F. Lance and Mr. Lance in Fort Riley, Kansas, and other relatives in Paris, Illinois and Clinton, Indiana.

Mr. and Mrs. Gary Shelby and daughters of West Palm Beach were the guests of her parents, Mr. and Mrs. J. S. Atkins in Pelican Lake, on Sunday.

## William McDowell and Joyce Brown Wed Saturday, August 20

Miss Joyce Brown of Pahokee and William (Bill) McDowell of Tallahassee were united in marriage in an impressive double-ring, candlelight ceremony held in the First Baptist Church in Pahokee at 7:30, Saturday evening, August 20, with Rev. Guthrie Coldard, pastor, officiating.

With potted Areca palms in the background, the main altar was centered with a 15-branch arched candelabrum immediately behind the brass kneeling bench, and each side had a 9-branch candelabrum draped in smilax. Two large baskets of white gladioli, California white mums and pompons were placed by the steps on either side leading to the altar. The family pews were marked with brass candle pew markers draped with rope smilax. Mrs. James Chaplin presided at the guest register, which held an arrangement of white gladioli, carnations and smilax.

Miss Ruth Colvard, vocalist, and her mother, Mrs. Guthrie Colvard, presented the program of nuptial music. The bridal couple were at the kneeling bench while Miss Colvard sang "The Lord's Prayer." At the end of the song, they arose to their feet and turned to a candelabrum bearing two lighted candles and one unlighted. Each took a lighted candle and combined the two flames as they lighted together the third candle before snuffing the flames of the two candles they held in their hands as a symbolic gesture of their union in marriage.

The bride is the daughter of Mr. and Mrs. Joel W. Brown, 2220 E. Main Street, Pahokee. She attended Central Florida Junior College after graduating from Pahokee High School, and is a graduate of Florida State University, Tallahassee, where she received a B.S. Degree in Social Welfare. Before her marriage she was employed in the Public Welfare Department in Tallahassee.

The bridegroom, son of Mr. and Mrs. Wade McDowell of Tallahassee, is a graduate of Leon High School, Tallahassee, and received a B.S. Degree in Business Administration from Florida State University, where he was a member of Kappa Alpha social fraternity and an outstanding player on the Seminole football team.

Miss Ellen Jo Brown, sister of the bride, as maid of honor wore a sleeveless aqua gown styled with empire waist and scooped neckline. The full-length sheath skirt of avocado peau de sole featured an open front overskirt. Her short shoulder-length veil touched with seed pearls was attached to an aqua satin headpiece in the shape of a rose with petals forming points over the forehead. She carried a cascade of tritium turquoise blue carnations backed with camilla foliage.

Also attendants of the bride were another sister, Mrs. Dale Perry of Belle Glade, matron of honor; Mrs. John Miller of Belle Glade, brides matron; Miss Carrol Ann Beck of Ocala and Miss Carol Whiddom of Gainesville, bridesmaids. Their gowns and flowers were identical to those of the maid of honor.

Shelley Padgett of Canal Point served as flower girl and Stevie Wilson of Belle Glade was ring bearer.

Jack Steele of Tallahassee was Mr. McDowell's best man. Serving as ushers were Tony McDowell of Tallahassee, brother of the bridegroom; Jimmy Stevens and Everell Perkins, both of Tallahassee; and Dale Perry of Belle Glade, brother-in-law of the bride.

Escorted to the altar and given in marriage by her father, the bride wore an empire-styled gown of pebbled silk crepe with bodice featuring long sleeves pointed at the wrists and an insert of medallions of reembroidered Alencon lace and seed pearls encircling the sabrina neckline. Sprays of Alencon lace cascaded from the front of the bodice down into the full-length sheath skirt. The chapel train

Mrs. Don Scott Smith

Miss Christine Bittle Slawson, daughter of Chaplin and Mrs. Meritt O. Slawson, former residents of Canal Point and Don Scott Smith, son of Mr. and Mrs. Rudie Smith, were married on Thursday, August 25, in Travis Park Methodist Church in San Antonio, Texas.

Miss Slawson is a graduate of Marshall High School, where she was a member of the Band, Speech and Drama Club, Y-Teens, Future Homemakers of America and was a majorette. She attended San Antonio College.

The bridegroom is a graduate of MacArthur High School. He was a member of the Letterman Club, Key-Club, Tri-Hi Y and participated in football, basketball and baseball. He is a student at Southwest Texas State College where he is a member of the Southwest Texas Rodeo Association, Letterman Club and on the baseball team.

with inserts of lace panels over silk organza ended in a diamond point. Her elbow-length veil of silk illusion fell from a headpiece formed by a cluster of silk roses with pearlized stems. She carried a bride's bouquet of dendrobium spray orchids and smilax centered with a cattleya orchid, which was later removed for the bride's traveling attire.

Mrs. Brown chose for her daughter's wedding an aqua street-length dress of pure silk, fashioned with long waistline and tiered skirt, and matching accessories. Mrs. McDowell, mother of the bridegroom, wore a two-piece mint green dress of lace and crepe with bone accessories. The corsages of both mothers featured green-brassia orchids.

The parents of the bride were hosts at the reception held at their home immediately following the ceremony. The bride's table, overlaid with mint green organdy cloth, was centered with a 10-branch silver candelabrum holding an epergne arrangement of roses, tuberosses and carnations. The five-tier columned wedding cake was topped with a miniature bride's bouquet and roped pearls. The punch bowl was encircled with smilax. In the living room was a tree arrangement made of the bouquets of the bride's attendants.

Assisting at the reception were Mrs. James Chaplin, Mrs. Wayne Browning, Mrs. Glover Dees, Jr., Mrs. Ellis Hall and Miss Beverly Wilkinson.

Following a brief wedding trip, Mr. and Mrs. McDowell are now at their home at 1200 Halden Ave., Apartment 11, in Orlando.

# Now — U. S. Savings Bonds Pay More Interest

4.15% when held to maturity

*Higher interest on the  
Bonds you already own, too!*

U.S. Savings Bonds are a better way to save than ever

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E — 9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive

new rate. Ask about buying Bonds where you work or bank. For America's future. And yours

**"Today, none of us can remain aloof on the sidelines."**

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

## Can You Believe It? Ducks Play Piano

TALLAHASSEE, (FNS) Ducks that push boats and play pianos are starring in a Duck Vaudeville troupe that is part of the Florida exhibit at the Canadian National Exposition in Toronto.

The ducks come from Caribbean Gardens, tourist attraction in Naples. The travelling show, under the leadership of Joel Kuperberg, has appeared before 200 million people on television in this country and abroad.

Besides the piano playing duck, there is Flora, the "flower-pickin' Pekin," and Sweetie Face, which picks her mate's picture from a series of photographs. And Elvis may soon be playing a guitar in the act if he can learn the chords.

But the performances at the Canadian Exposition may have to be cut from eight to four a day.

"The ducks always cause a large crowd to jam the aisles at any travel show and other exhibitors complain bitterly," Kuperberg explained.

## Chinch Bug Real Pest In Summer

GAINESVILLE—The chinch bug is common to Florida lawns and becomes a summer pest by turning the grass an unsightly brown.

The adults are about 1/5 of an inch long, colored black with white patches on their wings which are folded over their back. The young chinch bugs are reddish with white band across their back, but darken and become black as they mature, say entomologists with the Florida Agricultural Experiment Stations.

Usually common in the summer, sometimes the insects attack during the fall and spring in Southernmost Florida. The adults hibernate in the winter in northern Florida.

The adult lays her eggs in leaf sheaths or in crevices and cracks in nodes and other protected places in the lawn. During the summer, the eggs hatch in 1-1½ weeks. The nymphs develop into adults in 4-5 weeks. The adult bugs have been known to live for as long as two months.

Of all the lawn grasses, only St. Augustine grass is most seriously damaged. The insects insert a slender, piercing beak into the grass stem to suck out the plant juices.

The injury done to the grass is easily spotted by the brown, dead center with the yellowish margins left in a patch of grass where the eggs were laid.

## Witnesses From Glades To Convention

Some 25 of Jehovah's Witnesses are attending a five-day "God's Sons of Liberty" District Convention which started Wednesday, August 24 at the Miami Beach Convention Hall in Miami Beach, according to Jean C. Rainbow, presiding minister of the Belle Glade congregation.

Convention officials estimate an attendance of 12,000 for the event sponsored by the Watchtower Bible and Tract Society and the Miami area congregations of Jehovah's Witnesses. Requests for accommodations have been received from 36 states, Canada, Mexico, Jamaica, Puerto Rico, Guatemala, Bolivia, Columbia, Honduras and the Bahamas.

"Regular meetings held at the Kingdom Hall at 1648 S. E. Ave. 'G', Belle Glade, will be cancelled during the convention since the majority of the congregation is attending the convention," Rainbow said.

Among the families attending the convention will be Fred Nalle, Jr. and family of Pahokee.

Rainbow said that the principal convention speakers will be Nathan H. Knorr, President of the Watchtower Society and Grant Suter, member of the Board of Directors.

"The convention highlight will be the public Bible lecture Sunday on the topic 'What Has God's Kingdom Been Doing Since 1914?' This will be delivered by Mr. Suter," said Rainbow.

Mr. and Mrs. George B. Ramey visited her sister-in-law, Mrs. Philo B. Williamson, and Mr. Williamson on Sunday. Mrs. Williamson is recuperating at her home in Okechobee following a two-week stay in the hospital there.

Mr. and Mrs. Don Thigpen and daughter, Janet, of Alley, Georgia, will be the weekend guests of his cousin, Mr. and Mrs. Billy Thigpen in Canal Point.

## Child Care Center Opens August 29

A new Child Care Center will be opened in Pahokee on August 29, it was announced this week. The Center will be owned and operated by the Church of God on Barfield Highway, with Mrs. Bobby Elrod in charge of the Center. The education wing of the church has been remodeled and furnished to accommodate the children. Also an attractive fenced playground is provided and furnished with play equipment, the announcement said.

The Center has already been approved by the Palm Beach County Health Department, and all rules and regulations of that department for the care of children will be observed. Mrs. Elrod has had wide experience in the care of children, and all personnel connected with the Center are qualified for that type work and have health cards.

Children from the age of two up will be accepted, provided they are trained, the announcement said. The Center will be open on Mondays through Fridays from 7:30 a. m. to 5:30 p. m. Cost of the service will be \$10.00 a week or 50 cents per hour per child. The Center will be known as the Pahokee Child Care Center.

To register children or for further information those interested are requested to call 924-5879.

Mr. and Mrs. A. R. Harrington will motor to Tallahassee this weekend to take their daughter, Nancy, who begin her freshman year at Florida State University there.

Mr. and Mrs. Richard Wright and family have moved from Pahokee to Boynton Beach where he will manage the Royal's Store.

Mrs. Clarence Throop and son, Kenny, of Clewiston, were the guests of her daughter and family, Mrs. John Pelham and Mr. Pelham, and son Davey, in Canal Point for a couple days last week.

Why should you buy U.S. Savings Bonds when there are so many other good investments?

To help your country is one answer—and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money; either with the Payroll Savings Plan where you just ask your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U.S. Savings Bonds is the way they stick with you. You can get your money any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment—as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service.

Keep freedom in your future with U.S. SAVINGS BONDS

## How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
